

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF WISCONSIN

---

UNITED STATES OF AMERICA,

Plaintiff,

v.

Case No. 21-CR-183

ALEXANDER P. BEBRIS,

Defendant.

---

**PLEA AGREEMENT**

---

1. The United States of America, by its attorneys, Richard G. Frohling, Acting United States Attorney for the Eastern District of Wisconsin, and Daniel R. Humble, Assistant United States Attorney, and the defendant, Alexander P. Bebris, individually and by attorney Krista Halla-Valdes, pursuant to Rule 11 of the Federal Rules of Criminal Procedure, enter into the following plea agreement:

**CHARGES**

2. The defendant has been charged in a single-count indictment, which alleges a violations of Title 18, United States Code, Sections 2252(a)(5)(B) and 3147(1).

3. The defendant has read and fully understands the charge contained in the indictment. He fully understands the nature and elements of the crime with which he has been charged, and the charge and the terms and conditions of the plea agreement have been fully explained to him by his attorney.

4. The defendant voluntarily agrees to plead guilty to the following count set forth in full as follows:

**THE GRAND JURY CHARGES THAT:**

1. On or about August 20, 2021, in the State and Eastern District of Wisconsin and elsewhere,

**ALEXANDER P. BEBRIS**

knowingly possessed material that contained images of child pornography, as defined in Title 18, United States Code, Section 2256(8)(A), that involved a minor who had not attained the age of 12 years, and which had been mailed, shipped, and transported using a means and facility of interstate and foreign commerce, and that was produced using materials that had been mailed, shipped, and transported by a means of interstate and foreign commerce, including by computer.

2. The child pornography possessed by the defendant included files identified by the following file names:

<b>Partial File Name</b>	<b>Description</b>
809.jpg	A digital image depicting a prepubescent female with an approximate age of 4 to 5 years old with her nightgown pulled up and her vagina exposed which is the central focus of the image.
844.jpg	A digital image depicting a prepubescent female with an approximate age of 4 to 5 years old who is shown on her hands and knees with her buttocks and vagina exposed to the camera. The buttocks and vagina are the central focus of the image.
594.jpg	A digital image depicting a prepubescent female with an approximate age of 3 to 4 years seated on a couch with adorned pillows behind her and a blanket across her stomach. Her vagina is exposed to the camera and is central to the image.

3. The defendant was on release pursuant to an order dated October 1, 2019, from the United States District Court in the Eastern District of Wisconsin, Case No. 19-CR-2, which

order notified said defendant of the potential effect of committing an offense while on pretrial release.

4. The defendant has a prior conviction under Federal law for distribution of child pornography; to wit: a conviction on August 4, 2020, in the United States District Court in the Eastern District of Wisconsin, Case No. 19-CR-2.

All in violation of Title 18, United States Code, Sections 2252A(a)(5)(B) and 3147(1).

5. The defendant acknowledges, understands, and agrees that he is, in fact, guilty of the offense described in paragraph 4. The parties acknowledge and understand that if this case were to proceed to trial, the government would be able to prove the following facts beyond a reasonable doubt. The defendant admits that these facts are true and correct and establish his guilt beyond a reasonable doubt:

On March 29, 2021, a cybertip was generated by the National Center for Missing and Exploited Children (“NCMEC”) regarding an image that had been uploaded to Reddit by an individual named “tbenson646” and an identified IP address located in the State and Eastern District of Wisconsin. The image was suspected child pornography. An Internet Crimes Against Children (“ICAC”) investigator with the Calumet County Sheriff’s office was assigned to investigate the lead.

The investigator sent out administrative subpoenas for subscriber information which identified Alexander P. Bebris as the subscriber assigned to the known IP address located in Denmark, Wisconsin. Bebris’ telephone number was also associated with the online account that created “tbenson646.”

On August 20, 2021, a search warrant was executed at Bebris’ home in Denmark, Wisconsin. Numerous contraband electronic devices, computers, and flash drives were recovered. A preliminary examination of one flash drive revealed 30 images of child

pornography, many depicting images of toddlers and children under the age of 12 years old. Metadata shows that the images were obtained by Bebris within a few months prior to the search warrant execution.

On August 4, 2020, Bebris entered a plea and was convicted of Distribution of Child Pornography in the District Court for the Eastern District of Wisconsin in case 19-CR-2.

On November 13, 2020, Bebris was sentenced to 60 months' imprisonment by the District Court.

At the time of his arrest, Bebris was on release by the District Court and had been ordered to report to FCI Forrest City on August 24, 2021. He signed his conditions of release which clearly reflect the consequences of committing a new crime while on release. (See Attachment A).

This information is provided for the purpose of setting forth a factual basis for the plea of guilty. It is not a full recitation of the defendant's knowledge of, or participation in, this offense.

#### **PENALTIES**

6. The parties understand and agree that the offense to which the defendant will enter a plea of guilty carries the following maximum term of imprisonment and fine: 30 years and \$250,000. The count also carries a mandatory minimum of 10 years of imprisonment which must be served consecutive to any other sentence. The count also carries a mandatory special assessment of \$100, at least 5 years of supervised release, and a maximum of a lifetime on supervised release. The parties further recognize that a restitution order may be entered by the court. If the court determines that the defendant is non-indigent, the court must impose a \$5,000 special assessment for each count of conviction pursuant to 18 U.S.C. 3014(a)(3). This amount cannot be reduced and it applies to offenses committed after the date of May 29, 2015.

7. The defendant acknowledges, understands, and agrees that he has discussed the relevant statutes as well as the applicable sentencing guidelines with his attorney.

### **ELEMENTS**

8. The parties understand and agree that in order to sustain the charge of possession of child pornography as set forth in the indictment, the government must prove each of the following propositions beyond a reasonable doubt:

**First**, the defendant knowingly possessed or accessed with intent to view any visual depiction;

**Second**, the visual depiction is child pornography;

**Third**, the defendant knew that one or more of the persons depicted were under the age of eighteen years; and

**Fourth**, the material identified in the indictment has been mailed, shipped or produced using materials that have been mailed, shipped or transported in a manner affecting interstate or foreign commerce.

**Fifth**, the defendant was released pursuant to the Bail Reform Act of 1966; and

**Sixth**, the defendant was notified of the effect of committing an offense while on release; and

**Seventh**, the defendant committed the offense alleged in count one while on release.

### **SENTENCING PROVISIONS**

9. The parties agree to waive the time limits in Fed. R. Crim. P. 32 relating to the presentence report, including that the presentence report be disclosed not less than 35 days before the sentencing hearing, in favor of a schedule for disclosure, and the filing of any objections, to be established by the court at the change of plea hearing.

10. The parties acknowledge, understand, and agree that any sentence imposed by the court will be pursuant to the Sentencing Reform Act, and that the court will give due regard to the Sentencing Guidelines when sentencing the defendant.

11. The parties acknowledge and agree that they have discussed all of the sentencing guidelines provisions which they believe to be applicable to the offense set forth in paragraph 4. The defendant acknowledges and agrees that his attorney in turn has discussed the applicable sentencing guidelines provisions with him to the defendant's satisfaction.

12. The parties acknowledge and understand that prior to sentencing the United States Probation Office will conduct its own investigation of the defendant's criminal history. The parties further acknowledge and understand that, at the time the defendant enters a guilty plea, the parties may not have full and complete information regarding the defendant's criminal history. The parties acknowledge, understand, and agree that the defendant may not move to withdraw the guilty plea solely as a result of the sentencing court's determination of the defendant's criminal history.

#### **Sentencing Guidelines Calculations**

13. The defendant acknowledges and understands that the sentencing guidelines recommendations contained in this agreement do not create any right to be sentenced within any particular sentence range, and that the court may impose a reasonable sentence above or below the guideline range. The parties further understand and agree that if the defendant has provided false, incomplete, or inaccurate information that affects the calculations, the government is not bound to make the recommendations contained in this agreement.

#### **Relevant Conduct**

14. The parties acknowledge, understand, and agree that pursuant to Sentencing Guidelines Manual § 1B1.3, the sentencing judge may consider relevant conduct in calculating the sentencing guidelines range, even if the relevant conduct is not the subject of the offense to which the defendant is pleading guilty.

### **Base Offense Level**

15. The parties acknowledge and understand that the government will recommend to the sentencing court that the applicable base offense level for the offense charged in the indictment is 18 under Sentencing Guidelines Manual § 2G2.2(a)(2).

### **Specific Offense Characteristics**

16. The parties acknowledge and understand that the government will recommend to the sentencing court that a 2-level increase for material involving prepubescent minors under Sentencing Guidelines Manual § 2G2.2(b)(2) and 2-level increase for use of a computer under Sentencing Guidelines Manual § 2G2.2(b)(6) are both applicable to the offense level for the offense charged in the indictment.

### **Acceptance of Responsibility**

17. The government agrees to recommend a two-level decrease for acceptance of responsibility as authorized by Sentencing Guidelines Manual § 3E1.1(a), but only if the defendant exhibits conduct consistent with the acceptance of responsibility. In addition, if the court determines at the time of sentencing that the defendant is entitled to the two-level reduction under § 3E1.1(a), the government agrees to make a motion recommending an additional one-level decrease as authorized by Sentencing Guidelines Manual § 3E1.1(b) because the defendant timely notified authorities of his intention to enter a plea of guilty.

### **Sentencing Recommendations**

18. Both parties reserve the right to provide the district court and the probation office with any and all information which might be pertinent to the sentencing process, including but not limited to any and all conduct related to the offense as well as any and all matters which might constitute aggravating or mitigating sentencing factors.

19. Both parties reserve the right to make any recommendation regarding any other matters not specifically addressed by this agreement.

20. The government agrees to recommend the mandatory minimum 120 months' incarceration which must be served consecutive to the defendant's sentence in case 19-CR-2.

### **Court's Determinations at Sentencing**

21. The parties acknowledge, understand, and agree that neither the sentencing court nor the United States Probation Office is a party to or bound by this agreement. The United States Probation Office will make its own recommendations to the sentencing court. The sentencing court will make its own determinations regarding any and all issues relating to the imposition of sentence and may impose any sentence authorized by law up to the maximum penalties set forth in paragraph 6 above. The parties further understand that the sentencing court will be guided by the sentencing guidelines but will not be bound by the sentencing guidelines and may impose a reasonable sentence above or below the calculated guideline range.

22. The parties acknowledge, understand, and agree that the defendant may not move to withdraw the guilty plea solely as a result of the sentence imposed by the court.

### **FINANCIAL MATTERS**

23. The defendant acknowledges and understands that any and all financial obligations imposed by the sentencing court are due and payable in full upon entry of the judgment of conviction. The defendant further understands that any payment schedule imposed by the sentencing court shall be the minimum the defendant is expected to pay and that the government's collection of any and all court imposed financial obligations is not limited to the payment schedule. The defendant agrees not to request any delay or stay in payment of any and all financial obligations. If the defendant is incarcerated, the defendant agrees to participate in

the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the court specifically directs participation or imposes a schedule of payments.

24. The defendant agrees to provide to the Financial Litigation Unit (FLU) of the United States Attorney's Office, upon request of the FLU during any period of probation or supervised release imposed by the court, a complete and sworn financial statement on a form provided by FLU and any documentation required by the form. The defendant further agrees, upon request of FLU whether made before or after sentencing, to promptly: cooperate in the identification of assets in which the defendant has an interest, cooperate in the liquidation of any such assets, and participate in an asset deposition.

#### **Special Assessment**

25. The defendant agrees to pay the special assessment in the amount of \$100 prior to or at the time of sentencing.

#### **Restitution**

26. The defendant agrees to pay restitution as ordered by the court. The defendant understands that because restitution for the offense is mandatory, the amount of restitution shall be imposed by the court regardless of the defendant's financial resources. The defendant agrees to cooperate in efforts to collect the restitution obligation. The defendant understands that imposition or payment of restitution will not restrict or preclude the filing of any civil suit or administrative action.

#### **Forfeiture**

27. The defendant agrees that all properties listed in the indictment and/or bill of particulars were used to facilitate such offense. The defendant agrees to the forfeiture of these properties and to the immediate entry of a preliminary order of forfeiture. The defendant agrees

that he has an interest in each of the listed properties. The parties acknowledge and understand that the government reserves the right to proceed against assets not identified in this agreement.

### **DEFENDANT'S WAIVER OF RIGHTS**

28. In entering this agreement, the defendant acknowledges and understands that he surrenders any claims he may have raised in any pretrial motion, as well as certain rights which include the following:

- a. If the defendant persisted in a plea of not guilty to the charges against him, he would be entitled to a speedy and public trial by a court or jury. The defendant has a right to a jury trial. However, in order that the trial be conducted by the judge sitting without a jury, the defendant, the government and the judge all must agree that the trial be conducted by the judge without a jury.
- b. If the trial is a jury trial, the jury would be composed of twelve citizens selected at random. The defendant and his attorney would have a say in who the jurors would be by removing prospective jurors for cause where actual bias or other disqualification is shown, or without cause by exercising peremptory challenges. The jury would have to agree unanimously before it could return a verdict of guilty. The court would instruct the jury that the defendant is presumed innocent until such time, if ever, as the government establishes guilt by competent evidence to the satisfaction of the jury beyond a reasonable doubt.
- c. If the trial is held by the judge without a jury, the judge would find the facts and determine, after hearing all of the evidence, whether or not he was persuaded of defendant's guilt beyond a reasonable doubt.
- d. At such trial, whether by a judge or a jury, the government would be required to present witnesses and other evidence against the defendant. The defendant would be able to confront witnesses upon whose testimony the government is relying to obtain a conviction and he would have the right to cross-examine those witnesses. In turn the defendant could, but is not obligated to, present witnesses and other evidence on his own behalf. The defendant would be entitled to compulsory process to call witnesses.
- e. At such trial, defendant would have a privilege against self-incrimination so that he could decline to testify and no inference of guilt could be drawn from his refusal to testify. If defendant desired to do so, he could testify on his own behalf.

29. The defendant acknowledges and understands that by pleading guilty he is waiving all the rights set forth above. The defendant further acknowledges the fact that his attorney has explained these rights to him and the consequences of his waiver of these rights. The defendant further acknowledges that as a part of the guilty plea hearing, the court may question the defendant under oath, on the record, and in the presence of counsel about the offense to which the defendant intends to plead guilty. The defendant further understands that the defendant's answers may later be used against the defendant in a prosecution for perjury or false statement.

30. The defendant acknowledges and understands that he will be adjudicated guilty of the offense to which he will plead guilty and thereby may be deprived of certain rights, including but not limited to the right to vote, to hold public office, to serve on a jury, to possess firearms, and to be employed by a federally insured financial institution.

31. The defendant knowingly and voluntarily waives all claims he may have based upon the statute of limitations, the Speedy Trial Act, and the speedy trial provisions of the Sixth Amendment. The defendant agrees that any delay between the filing of this agreement and the entry of the defendant's guilty plea pursuant to this agreement constitutes excludable time under the Speedy Trial Act.

#### **MISCELLANEOUS MATTERS**

32. Pursuant to 18 U.S.C. § 3583(d), the defendant has been advised and understands the court shall order as a mandatory condition of supervised release, that the defendant comply with state sex offender registration requirements. The defendant also has been advised and understands that under the Sex Offender Registration and Notification Act, a federal law, he must register and keep the registration current in each of the following jurisdictions: the location of his residence; the location of his employment; and, if he is a student, the location of his

school. Registration will require that the defendant provide information that includes, name, residence address, and the names and addresses of any places at which he will be an employee or a student. The defendant understands that he must update his registration not later than three business days after any change of name, residence, employment, or student status. The defendant understands that failure to comply with these obligations may subject him to prosecution for failure to register under federal law, 18 U.S.C. § 2250, which is punishable by a fine and/or imprisonment.

### **GENERAL MATTERS**

33. The parties acknowledge, understand, and agree that this agreement does not require the government to take, or not to take, any particular position in any post-conviction motion or appeal.

34. The parties acknowledge, understand, and agree that the United States Attorney's office is free to notify any local, state, or federal agency of the defendant's conviction.

35. The defendant understands that pursuant to the Victim and Witness Protection Act, the Justice for All Act, and regulations promulgated thereto by the Attorney General of the United States, the victim of a crime may make a statement describing the impact of the offense on the victim and further may make a recommendation regarding the sentence to be imposed. The defendant acknowledges and understands that comments and recommendations by a victim may be different from those of the parties to this agreement.

### **EFFECT OF DEFENDANT'S BREACH OF PLEA AGREEMENT**

36. The defendant acknowledges and understands if he violates any term of this agreement at any time, engages in any further criminal activity prior to sentencing, or fails to appear for sentencing, this agreement shall become null and void at the discretion of the government. The defendant further acknowledges and understands that the government's

agreement to dismiss any charge is conditional upon final resolution of this matter. If this plea agreement is revoked or if the defendant's conviction ultimately is overturned, then the government retains the right to reinstate any and all dismissed charges and to file any and all charges which were not filed because of this agreement. The defendant hereby knowingly and voluntarily waives any defense based on the applicable statute of limitations for any charges filed against the defendant as a result of his breach of this agreement. The defendant understands, however, that the government may elect to proceed with the guilty plea and sentencing. If the defendant and his attorney have signed a proffer letter in connection with this case, then the defendant further acknowledges and understands that he continues to be subject to the terms of the proffer letter.

#### **VOLUNTARINESS OF DEFENDANT'S PLEA**

37. The defendant acknowledges, understands, and agrees that he will plead guilty freely and voluntarily because he is in fact guilty. The defendant further acknowledges and agrees that no threats, promises, representations, or other inducements have been made, nor agreements reached, other than those set forth in this agreement, to induce the defendant to plead guilty.

ACKNOWLEDGMENTS

I am the defendant. I am entering into this plea agreement freely and voluntarily. I am not now on or under the influence of any drug, medication, alcohol, or other intoxicant or depressant, whether or not prescribed by a physician, which would impair my ability to understand the terms and conditions of this agreement. My attorney has reviewed every part of this agreement with me and has advised me of the implications of the sentencing guidelines. I have discussed all aspects of this case with my attorney and I am satisfied that my attorney has provided effective assistance of counsel.
